## T900F TELEPHONE HOOD BLUE FABRIC

### OVERVIEW

The T900 Acoustic Telephone Hood has been designed to provide a dedicated wall space for a mobile phone call or for a fixed telephone or information point

Using premium acoustic fabric, this modern wall mounted booth will keep your voice levels quieter from others around you and also help reduce background noise

Camira Blazer © is a classic pure new wool upholstery fabric with a billiard cloth felted finish. It is made from premium New Zealand lambswool, where responsible farming provides the highest quality raw material which is soft, clean and bright, which is ideal for spinning, weaving and dyeing. The colour palette is an exciting mix of solids and mélanges across the full colour spectrum

We have three colours as standard but an extensive range of colours are available subject to minimum quantities, please contact the office for further details

Supplied as easily wall mountable out of the box (3 screws required in your wall), SpringLOCK® mounting brackets lock the hood securely to the wall, only removable using the special tool provided

Expertly upholstered, this striking acoustic booth creates areas of privacy for using phones and tablets in open areas and commercial offices
